

BROHL'S *flower garden*

10th Anniversary Celebration
Saturday, May 5, 2012
11:00 am—7:00 pm

**Please join me in celebrating our anniversary and take advantage of this
Business Opportunity!**

You are cordially invited to be a part of our anniversary celebration. Brohl's flower garden will be opening our greenhouses for the season and would like to offer local business owners the opportunity to have **FREE** vendor space. You can bring merchandise, flyers, samples—you name it! Both outdoor and indoor space will be available so participation does not have to be dependent upon the weather. Feel free to have demonstrations or 'how to' classes. If you cannot attend but would like to provide promotional materials for display—I will have an area set aside for this purpose.

This event is geared toward the small local business owner. Your business does not have to be outdoor or plant related. I will be offering free hot dogs and cake beginning at 11:00 am until gone. Promotion for this event will include flyers as well as press releases to the local newspapers. It will also be placed on other community websites as well as social media. I have attached a sample flyer and will promote the "local business" vendor portion if response to this letter generates interest.

Please contact me by February ²³~~13~~th to indicate if you would like to take advantage of this great marketing opportunity or fill out and return the bottom form to secure your space. Please call with any questions you may have.

Sincerely,

Karen Brohl
